

additional people to sign their child into and out of our care.

Check-In Procedure

A parent or authorized individual must sign the child in and obtain a “child secure” number. A duplicate number will be attached to a diaper bag or other belongings.

While we do carry a supply of changing products, we request that parents leave our caregivers with a diaper bag containing items that are necessary to most effectively meet the needs of the individual child during his/her stay

in the *Lambs' Fold*. **Please be sure to label your child's diaper bag, bottles, and sippy cups with a permanent marker.**

If this is your child's first visit, see to it that you verbally **inform our caregivers of any allergies or other issues of concern.**

If we need to contact you during service, we will text your cell phone. A text message with the church number, 735-2856, will be displayed on your screen. **PLEASE place your cell phone on vibrate mode before entering the sanctuary.**

Check-out Procedure

Immediately following service, a parent or other authorized individual (as indicated on the Child

Enrollment & Authorization Card) must present the appropriate “child secure” number in order to sign a child out of the *Lambs' Fold*. Be advised that a picture ID may be requested. This is especially true for visiting families and those with whom the nursery staff is unfamiliar.

To minimize confusion, **we ask that parents remain outside of the *Lambs' Fold* during check-in and check-out time.**

In consideration of our caregivers, please see to it that you retrieve your child in a timely manner following service. Thank you.

Parent Involvement

The ministry of the *Lambs' Fold* is made possible by the dedicated service of volunteers. We invite parents to consider serving as lead caregivers or assistants in the *Lambs' Fold* at least once per month. For more information, please call the church office and leave a message for Trish Campbell or April Bowen.

General Information

Our Mission

We know how precious children are to the heart of God (Matt. 19:14; Mark 9:42; Psalm 127:3). It is our aim, therefore, to ensure that each child experiences the love of Jesus through the nurturing and attentive care they receive in the *Lambs' Fold*.

Volunteer Caregiver Requirements

In keeping with our "child-safe" protocol, the following requirements must be met by all volunteers who are 18 years of age and older for service in any area of Children's Ministry:

- Must acknowledge Christ Jesus as personal Lord and Savior.
- Submit to a background check through fingerprinting with the Department of Justice.
- Complete a Children's Ministry volunteer application.
- Complete the Living Truth membership class and attend services regularly.
- Attend three Children's Ministry training meetings per year.

Our Hours

The *Lambs' Fold* is open during the first and second services on Sundays, as well as during our midweek service on Wednesday nights. For the first service, parents may bring their children to the *Lambs' Fold* beginning at 8:50 a.m. Parents attending the second service may sign their children in beginning at 10:50 a.m. On Wednesday nights, check in begins at 6:50 p.m.

Snacks & Food Allergies

On occasion, we may offer snacks to the children in our care. If your child has food allergies, we recommend that you [supply us with a snack that s/he can safely consume](#) so that s/he is not excluded at snack time. Please make sure to inform our caregivers that your child has his/her own snack at check-in.

Policies

Healthy Child Policy

In order to maintain a healthy environment in the Lamb's Fold, and to prevent the spread of illness, we request that parents refrain from checking in children who exhibit or have exhibited any of the following symptoms in the past 24 hours: fever, rash, vomiting, diarrhea, runny nose, persistent cough, pink-eye, or open sore. [At no time will any](#)

[caregiver dispense medicine of any kind to any child in the Lambs' Fold.](#)

Parent Visitation Policy

We realize that sometimes a child may experience separation anxiety upon being left with unfamiliar caregivers in the *Lambs' Fold* for the first time. We encourage a parent or other authorized family member to stay awhile to increase the child's comfort level. However, we do not recommend that a parent remain in the *Lambs' Fold* for more than 10 minutes for the first few visits. Upon further experiences with our nurturing volunteer staff, the child will begin to adjust as s/he comes to realize that parents will return.

Aside from parents/guardians and on duty Children's Ministry volunteer staff, no other persons will be permitted in the *Lambs' Fold* during service times.

Procedures

Registration

A Child Enrollment and Authorization Card must be filled out for all children upon their first visit to any of our Children's Ministry classrooms. This card provides us with vital information about allergies and other medical conditions of which we need to be aware. This card also allows parents to authorize up to two
