

Hey Kids,

Would you like to have fun learning more about God's Word, His wondrous creation, and His awesome love for you? Check out these websites! I've put this list together especially for you. I may find new websites to add later. So, be sure to check back. Enjoy!

Love in Christ,
Ms. Trish

P.S. Always get permission from your parents before visiting any website.

Children's Bible Hour

<http://www.cbhministries.org/home.php>

"CBH Ministries is an international Christian ministry based on the Gospel of Jesus Christ, producing and distributing excellent media resources to evangelize and disciple kids and their families." [Quote from the website]

Clubhouse

<http://www.clubhousemagazine.com/>

This is a companion site for Clubhouse Magazine which is produced by Focus on the Family. Kids can find movie reviews, games, videos, crafts and more to reinforce Biblical family values and have fun in the process.

His Kids

<http://hiskids.net/>

"HisKids.net is an alliance of ministries whose cornerstone is Jesus Christ and whose passion is reaching kids with Biblical truth through excellent media resources." [HisKids.net mission statement]

Jelly Telly

<http://www.jellytelly.com/>

A safe place for your family to watch, learn and play online while building your faith in God. Hundreds of videos to browse and watch ... from Adventures in Odyssey® to Buck Denver and Friends! There are fun games to play and plenty of stuff for mom and dad, including weekly blogs written just for busy parents. You'll also enjoy printable coloring sheets and *The Daily Player*, a 30-minute show created from some of the best videos on JellyTelly.

Kids Answers

<http://www.answersingenesis.org/kids>

The mission of *Answers in Genesis* is to “illustrate the importance of Genesis in building a creation-based worldview, and to equip” believers, even young ones, “with practical answers so that they can confidently communicate [their faith] .” This site is tailor made for older children (9 years and up), and it seeks to answers their questions about the Bible in an engaging manner. This is an especially great place for those youngsters interested in the science of God’s magnificent creation.

Veggie Tales/Big Idea Fun

<http://veggietales.com/>

Who doesn't love Veggie Tales?! No explanation necessary for this site. Dive in!

What's in the Bible

<http://whatsinthebible.com/kids/>

Phil Vischer is at it again, thank goodness! Vischer, the creator of Veggie Tales, has come up with some wonderful characters and sketches to take kids through the Bible from Genesis to Revelation. More than just stories, this site and its companion DVDs teach kids the history and cultural contexts that will help them to understand even more about what Christians believe. While many of the *What's in the Bible* characters can be found on *Jelly Telly* as well, there is plenty of content that is exclusive to this site.
